PARKER ESTATE THE HEART OF COONAWARRA

Parker Estate is a family owned and operated vineyard and winery.

The iconic cellar door is surrounded by 20 hectares of vineyard, with forty-year-old vines and vistas that stretch as far as the eye can see.

Located a stone's throw from the charming town of Penola, in the world-famous Coonawarra wine region, the striking Parker Estate limestone cellar door, with its surrounding lawns and vines is the perfect backdrop to your special day.

VENUE HIRE

Every wedding is unique, and whether you're looking for intimate or extraordinary, we work closely with you to bring your dream to life in exquisite detail, from the ceremony to the last dance.

As one of Coonawarra's leading producers, we take great pride in crafting wines that bring together family and friends in moments of celebration.

The celebration of your love is no different.

The space is fully climate controlled and is suitable for winter and summer events.

Standing capacity | 250 people

TASTING ROOM

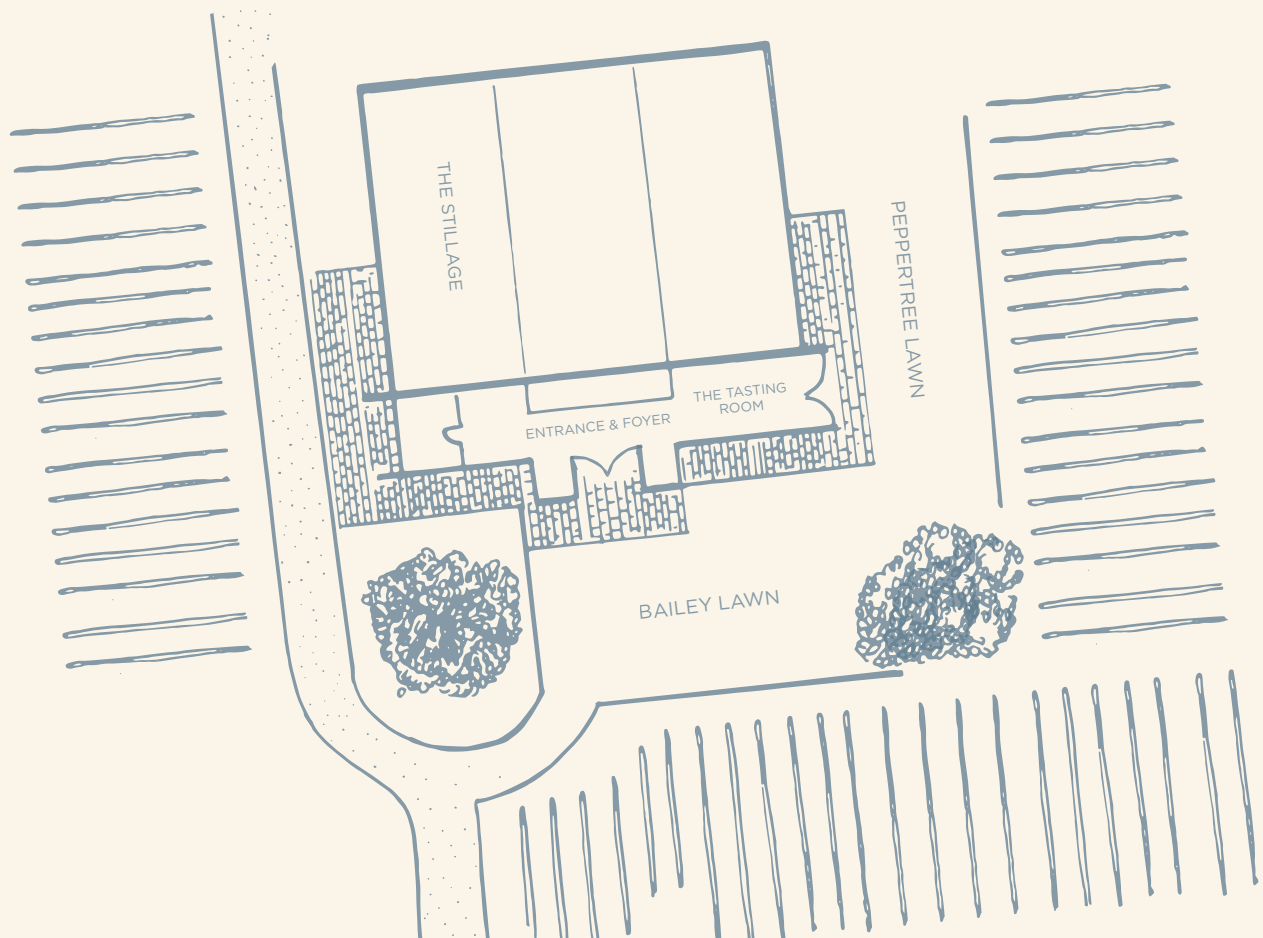

Our intimate Tasting Room is furnished with a wood fire and floor to ceiling windows that look out onto the lawns and vines beyond. Ideal for a smaller wedding or a space to enjoy canapes and sparkling before a sit-down dinner and dancing in the Stillage.

Seated capacity | 30 people
Standing capacity | 50 people

THE LAWNS

Wrapping around the cellar door, the east facing Bailey Lawn and the north facing Pepper Tree Lawn look out over the vines of our Abbey Vineyard. The lawns are a relaxing oasis, and picture perfect for outdoor ceremonies.

Our venue has full disability access and the integrated spaces offer enough flexibility indoors to cater to waterproof plans if the weather demands it.
